

BioFlora[®] 5-17-4

Product Technical Data Sheet

BioFlora 5-17-4[®] contains a blend of nutrients designed for ground applications. Plant metabolism and nutrient assimilation are greatly enhanced by the organic components of BioFlora 5-17-4[®]. The Nitrogen from fish solubles is quickly taken up by the plant, seaweed extracts help the metabolic rate and humic acids may enhance micronutrient uptake. This product is also rich in carbon which increases microbial activity in the soil. BioFlora 5-17-4[®] is an ideally balanced formula, blending essential nutrients with natural organic substances and plant extracts.

Guaranteed Analysis

Total Nitrogen(N).....5.00%
 4.40% Ammoniacal Nitrogen
 0.55% Other Water Soluble
 0.05% Water Insoluble Nitrogen
Available Phosphate (P₂O₅)17.00%
Soluble Potash (K₂O).....4.00%
Molybdenum (Mo).....0.002%

Derivation

Derived from urea, phosphoric acid, aqua ammonia, potassium hydroxide, molybdc oxide, fish solubles and seaweed (Ascopyllum nodosum).

Density

10.90 lb. per gallon
1.31 kg per liter

Product Support

Consult your BioLynceus[®] representative for product support, application information and current pricing. Do not allow product to freeze.

Application Details

Dilute 1 part product to 10 parts water. Apply 4-6 gallons of concentrate per acre; through fertigation or spray applicator. Timing and frequency of application should be based on soil and tissue testing.

Compatibility

Use alone or with any common use fertilizers. Jar test for compatibility before mixing. Shake or circulate before use.

Storage and Handling

Store in original container in a cold dry place out of direct sunlight. DO not allow product to freeze. In case of accidental exposure, flush with water. Product is non-hazardous. May stain clothing.

Keep Away From Children - Not for Human Consumption – Do not allow product to freeze. Note: buyer assumes all risk of use, storage and handling of this material. Neither the manufacturer, seller, nor its agents, make any warranty, expressed or implied, concerning this product, except in conformity with statements on the label.
